ASSIGNMENT

This Assignment is made by, Dennis R. Berman, an individual ("Assignor"), to DRB LIT Ltd. ("Assignee"), a Texas limited partnership with its principal place of business located at 4401 Windsor Ridge Drive, Irving, Texas 75038.

WHEREAS, Assignor has all right title and interest and related know-how and trade secrets thereto to the patents and patent applications listed in the Assignment Attachment.

WHEREAS, Assignee desires to acquire from the Assignor the entire right, title and interest in and to the patents and patent applications and any Letters Patent that may be granted for the patent applications in the United States and throughout the world and the related know-how and trade secrets thereto.

NOW, THEREFORE, pursuant to an agreement between Assignor and Assignee entered on July 1, 2003, in exchange for the payment of \$1.00 to the Assignor and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in the patents and patent applications and any Letters Patents that may be granted for the patent applications in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise and related know-how and trade secrets thereto.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assignee will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of Assignee, its successors and

assignees, to the interest assigned herein to the patents and patent applications and any Letters Patents granted for the patent applications in the United States and throughout the world.

Assignor represents and warrants that it has not granted and will not grant to others any rights inconsistent with the assignment herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patents granted for said inventions, whether on said applications or on any subsequently filed division, continuation, continuation-in-part or reissue applications, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written herein below.
